Subject: Approval of Plans and Specifications:
San Tomas Aquino/Saratoga Creek Trail – Reach 4 (CE 07-08-02)

EXECUTIVE SUMMARY:

Reach 4 (Project) of the San Tomas Aquino/Saratoga Creek Trail consists of an asphalt trail, signing and striping, directional signs, drainage systems, removable bollards, and landscaping extending from the Monroe Street Staging Area to Cabrillo Avenue along the strip between the San Tomas Expressway and the existing sound wall, within the County of Santa Clara right-of-way.

The Plans and Specifications for the Project have been completed and placed in the Council Offices for review.

ADVANTAGES AND DISADVANTAGES OF ISSUE:

Approval of the Plans and Specifications and authorization to advertise for bids will keep the Project on schedule. When completed, the Project will extend the Creek Trail from Monroe Street Staging Area to Cabrillo Avenue.

ECONOMIC/FISCAL IMPACT:

Funding for this project is available in the Redevelopment Agency Capital Improvement Project Budget: San Tomas Aquino Creek Trail (939-4443-80XX0-9054). Since the funding source for the construction of the Project is the Redevelopment Agency Fund, there is no impact to the General Fund. When completed, there will be additional maintenance costs associated with the Project.

That the Council:

1. Approve the Plans and Specifications for the San Tomas Aquino/Saratoga Creek Trail – Reach 4 (CE 07-08-02);
